# MILITARY VS CANCER

**ONE TEAM,  
ONE FIGHT**

Military vs Cancer exists to ease the burden of cancer for serving personnel, veterans, and their immediate families. We provide practical, timely support; removing obstacles and reducing stress when it matters most.

Our team, drawn from across the Armed Services and industry, operates with professionalism, integrity, and a clear sense of purpose. Guided by the values instilled through military service, we hold ourselves to the highest standards and remain steadfast in our responsibility to those we support and to those who place their trust in us.

In a world full of noise, we focus on action, quietly delivering meaningful, measurable impact.

Please explore our sponsorship packages and table options for the 2026 Summer Ball. We would be delighted to discuss bespoke partnership opportunities tailored to your organisation.
